

Gateway Motorway Roadworks

TOWARDS A SAFER, MORE EFFICIENT JOURNEY

Overnight ramp closures on Gateway Motorway

Update to planned ramp closure dates – 8 September 2019

The Gateway Motorway Pavement project – which involves replacing the top layer of road pavement between Nudgee and Eight Mile Plains – is motoring along. The next section of work is planned on the motorway between Murarrie and Eight Mile Plains. To keep everyone safe while we work, we're temporarily closing the motorway ramps at Kingsford Smith Drive, Southern Cross Way and Port of Brisbane overnight. We will also be closing Southern Cross Way northbound on-ramp for two full weekends whilst we upgrade the ramp.

We'll try to minimise disruption to motorists so you can still get where you're going – but change to your travel is going to be required during this work. Alternative routes for regular vehicles during the closures are detailed below. Heavy vehicle operators should review their travel plans and route options.

Be assured, we are doing all we can to avoid disrupting your travel – and we'll have the ramps back in action as quickly as we can each morning. We thank you for your understanding as we complete this necessary work.

Closure times

There will be closures of the following ramps during these times:

Southern Cross Way Northbound on-ramp to the Gateway Motorway:

- 8pm Friday 6 September until 5am Monday 9 September 2019
- 8pm Friday 13 September until 5am Monday 16 September 2019
- Detour via Toombul Road and Nudgee Road

Kingsford Smith Drive Southbound on-ramp to the Gateway Motorway:

If weather/construction conditions stop us from working, we will continue on the next available evening.

Construction activity

During the works you should expect:

- overnight full closures of Southern Cross Way, Kingsford Smith Drive and Port of Brisbane on-and-off ramps
- full weekend closure of Southern Cross Way northbound on-ramp
- reduced speed limits and other road safety measures
- increased noise and lighting coming from the construction area
- workers, vehicles and equipment moving in, out and around the construction area.
